Company Profile

Deer Marble Tiles set up in China famous Ceramics Tile city: Foshan in 2012; The Developer of Super Anti-Scratch Marble Tiles in China. Strictly selecting rare marble from Italy, Turkey, Spain, French, Brazil etc as original samples; Using Italy Glaze supplier: Colorobbia glaze to guarantee same exclusive decoration as marble, higher abrasion resistance.

In 2018, Deer successfully developed Super Anti-Scratch Marble Tiles with Italy Colorobbia Company and put into mass production. The results from different Authorized Test companies, Deer Marble Tiles Abrasion Resistance is 3-4 times higher than other factories in China, which solve the problem that glaze polished tiles is not allowed to using in Heavy-Traffic areas such as: Shopping Mall, Hotel Lobby etc.

With the Super Anti-Scratch Function, Deer Marble Tiles successfully supplied to Sheraton Hotel Malaysia in 2018, Supplied to J.W. Marriott Hotel Malaysia in 2019, Supply to Ciputra World Shopping Mall in Surabaya Indonesia in 2020, Supply to Sky Regency Residence & Commercial Manila Philippine in 2021, etc important projects.

To be stronger and bigger, our brand must join in Global markets competition. Till December 2022, Deer Marble Tiles have distributed over 42 countries, including Germany, Canada, Singapore, Korea, Russia etc, with more than 3500 exclusive shops in China.

Deer Marble Tiles original Super Anti-Scratch diamond glaze, national patent technology, wear-resistant effect is 3 times that of ordinary tiles.

Normal Glaze

Super Anti-Scratch marble tiles

Normal Glaze VS Diamond Glaze

Main Data	Normal Glaze	Diamond Glaze
Durability	2-3 years get scracthes	Last for 100 years
Glazing	No Silk Printing technology	6-12 times silk printing mixed with Ink-ject technology
Natural Marble Effect	low resolution	Genuie Effect of Marble
Function	Low abrasion resistance	High Abrasion Resistance, High Mohs hardness
Production Time	45-55 minutes	85-90 minutes
Abrasion Resistance	lower 1500 revolutions	over 2100 revolutions

Deer Marble Tiles , the pioneer of Super Anti-Scratch marble tiles Honored with national patent technology, Cooperated with World Best Glaze Supplier: Italy Colorobbia, our Abrasion Resistance is over PEI 4, it is 3 times higher than normal tiles.

PEI is very important when we buy tiles!
To test the Important of Tiles Abrasion Resistance, the simplest and most obviously method to customer's personal experience is using the Steel-brush to brush Deer Marble Tiles, Deer Marble Tiles under "heavy-grinding, Super Anti-Scratch".
